

# We Make Hard-To-Find Easy Solutions for Diminishing Manufacturing Sources and Material Shortages

*We're about People, Passion and Parts...*

**People . . .** The moment you contact Inland Empire Components, our global marketing team is dedicated to your complete customer satisfaction. From fulfilling your order and answering your questions to quality control, delivery and follow-up, Inland Empire Components is about long-term, strategic relationships.

**Passion . . .** Our ISO 9001:2008, AS9120:2002, ANSI ESD S20.20:2007 certifications by Underwriters Laboratories, Inc. (UL) in addition to the CCAP-101 anti-counterfeiting certification is all part of our commitment to you that we are passionate about continuous improvement. We are dedicated to providing you with one of the highest quality service experiences in the industry

**Parts . . .** With millions of parts in stock ready to ship today, and our global marketing team ready to fulfill your critical components needs, Inland Empire Components is your long-term, supply chain partner.

## Products

### Memory

DRAM, SRAM, FLASH, MODULES, VRAM, EPROM, EEPROM

### Logic

74XXX, GALs, PALs, CMOS, PEELs, ECL, FPGAs, PLD

### Analog & Linear Circuits

DRIVERS, VOLTAGE REG., AMPLIFIERS, CONVERTERS, TELECOM ICs

### Processors

CPUs, DSPs, MATH, COPROCESSORS, MICROCONTROLLERS

### Passives

TANTALUM & CERAMIC CAPACITORS, INTERCONNECT, DIODES

### Commercial & Mil-Spec

ALL MANUFACTURERS and PACKAGE TYPES

### Value-Added Services

- Offshore Sourcing
- Contract Buying
- Exclusive Worldwide Automated Procurement System
- Scheduled Orders
- Military and Industrial Screening
- Lead Forming
- Tape and Reeling
- Printed Circuit Board Design
- Counter-to-Counter and Will Call
- Excess Inventory Liquidation
- Revenue Sharing (Consignment) Services
- Customized Services - Just Ask

## Manufacturers' Index

Actel	Goldstar	Plessey
Adaptec	Harris	Princeton Technology
Agilent	Hewlett-Packard	Renesas
Allegro Microsystems	Hitachi/Renesas	Raytheon Semiconductor
Allen-Bradley	Hynix	RCA
Alliance Semiconductor	Hyundai	Rockwell
Altera	IDT	Rohm
AMD	Infineon	Samsung
Analog Devices	Inmos	Seeq Technology
AT&T	Intel	Seiko-Epson
Atmel	International Rectifier	SGS-Thomson
Avx	Intersil	Sharp Microelectronics
Benchmark Microsystems	Lattice Semiconductor	Siemens/Infineon
Brooktree	Linear Technology	Signetics
Burr-Brown	Maxim	Silicon General
Catalyst Semiconductor	Microchip Technology	Siliconix
Chips & Technologies	Micron Technology	S-MOS
Cirrus Logic	Microsemi	Solid State
Conexant	Mitel	Sony
Cypress Semiconductor	Mitsubishi/Renesas	Sprague-Allegro
Cyrix	MMI	STMicroelectronics
Dallas Semiconductor	Motorola	Teledyne
Dense-Pac	Murata	Texas Instruments
Elantec	National	Thomson-Mostek
Epson	NEC	Toshiba
Exar	Nichicon America	TRW
Fairchild Semiconductor	Oki Semiconductor	Unitrode
Freescale	ON Semiconductor	Vishay
Fujitsu	Optifuse	Waferscale Integration
G.E.	Panasonic/Matsushita	Western Digital
General Instruments	Paradigm	Xicor
General Semiconductor	Philips	Xilinx
		Zilog
